This diagram illustrates the exploded view of a mechanical assembly, likely a robotic arm or a similar actuator. The components are numbered as follows:

- 1**: A small cylindrical component, possibly a pin or a small shaft.
- 2**: A large, circular, flanged component, likely a motor or a large bearing.
- 3**: A vertical support structure or bracket.
- 7**: A small cylindrical component, possibly a pin or a small shaft.
- 8**: A small, circular, flanged component, likely a bearing or a small motor.
- 10**: A large, circular, flanged component, likely a motor or a large bearing.
- 11**: A small, rectangular component, possibly a sensor or a small motor.
- 12**: A small, rectangular component, possibly a sensor or a small motor.
- 13**: A small, rectangular component, possibly a sensor or a small motor.
- 14**: A small, rectangular component, possibly a sensor or a small motor.
- 15**: A long, cylindrical component, likely a shaft or a long bearing.
